

# RESUME

## Personal Information:

Name: Bo Li

Birthday: 1991.10.07

Gender: male

Major: Biomedical Engineering

E-mail: sjtulibo@sjtu.edu.cn

Tel-number: +86-15221913095

Grade: first year of graduate school

## Education:

### (1) Shanghai Jiao Tong University

Sep.2015-Mar.2018

Master's degree in Biomedical Engineering.

Project: Automatic Detection of Freezing of Gait Episodes based on Supervised Machine Learning.

### (2) Henan Polytechnic University

Sep.2010-Jul.2014

Bachelor's degree in Automation.

Project: 9 nine I/Os to control 256 LEDs using single chip microcomputer STC51.

## Work Experience:

### 1. Employer: Autodesk China R&D Co.,Ltd

Duration: 7.2017- 1.2018

Position: Intern Machine Learning

### 2. Employer: BMW China Service Co.,Ltd

Duration: 4.2017- 7.2017

Position: Intern Machine Learning

### 3. Employer: Intel Asia R&D Co.,Ltd

Duration: 7.2016- 11.2016

Position: Intern QA

## Skills&Expertise:

1. I am familiar with data structure, machine learning.

2. I passed the CET-6 with basic English reading and writing skills.

3. Basic Python/C++ programming skills.
